Member Services 2009/10

As a membership-led organisation, NWCN is extremely keen to hear from you about what services or activities the organisation can provide to best meet your needs at a strategic level, at a time when the Community & Voluntary sector continues to undergo various change factors.

With limited resources, we cannot of course guarantee all ideas submitted will be translated into delivery but this will give us a clear indication of the needs identified by the sector - this will inform future priorities.

Your help is greatly appreciated and you are invited to make contact with the Network at any time to discuss how the strategic needs of the C&V sector can be met most effectively.

Which areas of strategic importance do you think NWCN should focus on for 2009/10?	What does NWCN already do that you would like to see continue or increase?
