

Good Governance and Charity reporting

Almost 6,000 charities are now registered with the Charity Commission for Northern Ireland and as such must adhere to the reporting requirements for all registered charities. Unfortunately, not all charities are aware of the requirement to submit an annual monitoring return, annual accounts and a trustee's report to the Commission within a specified time.

North West Community Network in association with the Developing Governance Group and the Charity Commission would like to invite you to a free seminar focusing on the annual reporting requirements. The session will also look at the Charity Commission's new guidance on fundraising and data protection.

This seminar will also focus on the importance of good governance and present how the newly revised Governance Health Check can be used to help charities adhere to regulations and good practice.

This seminar will take place:

7pm to 9 pm, 20 March 2018
North West Community Network
(Holywell DiverseCity Community Partnership)
10-14 Bishop St
Derry~Londonderry

Registration and light refreshments at 6.45pm.

Please note that places are limited.
