## 1 NWCN & NICVA brings you a Fundraising with Gift Aid Workshop

NICVA estimates that £48million goes unclaimed in Gift Aid each year by Northern Ireland charities. This **free** workshop aims to help local groups, large and small, to understand better and claim more funds using Gift Aid including the latest plans for Small Donations.

Date: **26 February 2013** - 2:30pm - 4:30pm

Cost: Free

Facilitator: Neil Irwin

Location: Unit B5, Rath Mor Shopping Complex, Bligh's Lane, Creggan, Derry, N Ireland, BT48 0LZ

This free workshop from 2.30pm to 4.30pm will cover the rules of reclaiming Gift Aid on a range of fundraising methods such as donations/standing orders, sponsorship/challenge events, charity shops, gala balls, cultural attractions etc. and the new proposals on Small Donations claiming without declarations. Gift Aid is worth at least an extra 25% on top of eligible donations (more for higher rate taxpayers) representing an impressive additional income.

### Workshop Objectives:

- Describe the rules and eligibility criteria for applying Gift Aid
- Identify fundraising methods where Gift Aid can be applied
- Identify how an organisation can improve its income using Gift Aid
- This workshop is recommended for both beginners new to Gift Aid and those seeking to improve their fundraising to maximise Gift Aid income. This session is a chance to ask those burning questions you have on all things Gift Aid.

### 3 Energy For Children

The Energy for Children Charitable Trust is continuing to break new ground and reach deeper into the heart of local communities throughout Greater Belfast and beyond in order to really make a difference to disadvantaged children's lives.

The Trust focuses on those needy causes that are slipping through the net of the more established Charity network, and is founded on the principle that 'all monies raised go directly to local children and young people'. Behind the scenes Phoenix provides all administrative support.

Although the Trust was founded initially by the natural gas industry, it is now supported by a variety of different sectors and organisations locally as it continues to grow. Efforts to raise money are ongoing and the Trust would like to appeal for help from anyone who feels they are in a position to do something positive to help assist its progress in terms of offering support to disadvantaged children.

To date the Energy for Children Charitable Trust has helped over 5000 local disadvantaged children and every month continues to help more and more.

If you know of an individual or group who could benefit from funding please contact Charity Liaison Officer Denise Cranston at [denise.cranston@energyforchildren-ni.org](mailto:denise.cranston@energyforchildren-ni.org) or on 07714 755 283.

## **16 Upcoming Dates For Mayor's Tea Dances**

Following on from the success of the Mayor's Tea Dance in The Venue earlier this year, why not come along to one of the upcoming tea dances that are scheduled to take place across a number of venues over the next few months?

On **Friday, 15 March**, as part of the city's St Patrick's Day celebrations, a Tea Dance has been organised to take place at the Pilots Row Community Centre. While on **Wednesday 10 April** the event will be held at the

Newbuildings Community Centre and on **Wednesday 1 May** at the Bishop's Field Sports Hall, in Creggan, with both tea dances taking place between 2pm and 4pm.

Encouraging the public to participate, the Mayor Cllr Kevin Campbell said the tea dances continued to be one of the Council's most popular and successful events. 'They are a great way for local communities to come together for an afternoon of nostalgia, music and entertainment. Since the closure of the Guildhall for refurbishment works we are delighted to be able to bring the tea dance to various halls and centres across the City Council area. I look forward to attending the tea dances over the next few months and meeting with people from across the community.'
